CHS volunteer expectations:

- *"Help where help is needed"* -The shelter is a hectic & unpredictable environment with limited resources. We ask that our volunteers are flexible & willing to occasionally pitch in with core shelter functions, even if those are outside their specific job description (laundry, dishes, etc.)
- *"Be an advocate in all things"* - Our volunteers are highly trained, respected, & trusted pieces to the CHS puzzle. We empower our volunteers to use their unique voice to communicate concerns, share observations, ask questions, suggest ideas, etc.! As a non-profit, it is especially important that our volunteers understand that being a successful (& satisfied) shelter advocate...aka "volunteer"...requires patience, curiosity, & creativity. In Animal Welfare, there are significant limitations to navigate, some of which are very obvious & others which are more abstract (& often harder to change). Put simply...we depend on volunteers to help us innovate & progress as a field/organization & we trust them to do so without taking personal offense or getting discouraged when/if that process is littered with roadblocks.
- *"Speak & act with compassion & respect, always"* - Our work is centered around the fundamental belief that pets AND people deserve to experience love & companionship. This belief directly influences the way we treat the people/animals we encounter during our work but also the way we speak about them AND the way we think about them. CHS volunteers share this important belief & allow it to be their "North Star".
